REMARKS:

25X1 Attached is a 24 May letter to the DCI (with his name misspelled) from commenting on the DCI's 20 May draft memorandum to the President. I think you all will find it of some interest and it clearly relates to several matters we will want to take up with the Director when we have our session with him on what Key Intelligence Questions ought to be and how they ought to be handled.

George A. Carver, Jr.
